

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: VERLOO, Didier

Title: Head of Knowledge, Innovation and Partnership Unit (KNOW)

Profession: Scientific Officer

Current EFSA involvements: Staff (KNOW)

| Nature of Activities | Period | Organisation | Subject matter |
|--|---------------|--|--|
| I. Financial investments | | | NO INTEREST |
| II. Managerial role | | | NO INTEREST |
| III. Member of a scientific advisory entity | 12/2015 - now | -Name: Evidence based toxicology cooperation | Board member EBTC (approved by ED). EBTC is founded at Johns Hopkins Bloomberg School of Public Health and it's vision is to improve the public health outcomes and reduce human impact on the environment by bringing evidence-based approaches to safety sciences. EBTC believes that adopting principles of transparency, objectivity and consistency, similar to Cochrane principles in clinical research, will allow regulators, industry and other stakeholders make more informed decisions about the effects of chemicals on human health and environment, determine the validity and accuracy of old and new tests, and eventually bring regulatory science in all industries and on all continents up to date with scientific |

| | | | |
|--|---------------|--|--|
| | | | <p>advances. EBTC is planning to accomplish this by bringing all interested stakeholders together under EBTC's roof to work on methodological challenges and to apply the evidence-based approaches to high-impact problems that involve safety decisions and serious public health implications.</p> <p>As member of the advisory board i provide EFSA input into the programme of this organisation and assure alignment with our projects.</p> <p>Impact on annual earnings: 0%</p> |
| | 06/2015 - now | -Name: Center for Alternatives for Animal Testing -Europe | <p>Member of advisory board of CAAT Europe as EFSA delegate (approved by ED).</p> <p>CAAT's mission is to Promote and support research in the development of in vitro and other alternative techniques. Serve as a forum to foster discussion among diverse groups leading to creative approaches to facilitate acceptance and implementation of alternatives. Provide reliable information on the science, philosophy, and public policy of alternatives to academia, government, industry and the general public. Educate and train in the application of alternatives.</p> <p>As member of the advisory board i provide EFSA input into the programme of this organisation and assure alignment with our projects.</p> <p>Impact on annual earnings: 0%</p> |
| IV. Employment | 02/2009 - now | -Name: EFSA | <p>Head of Unit (AMU renamed to SAS as from 2/5/2011 and renamed to AMU as from 1/01/2014) KNOW as from 1/1/2022</p> <p>Impact on annual earnings: >25%</p> |
| V. Occasional consultancy | | | NO INTEREST |
| VI. Research funding | | | NO INTEREST |
| VII. Intellectual property rights | | | NO INTEREST |
| VIII. Other memberships or affiliations | 01/2005 - now | -Name: Flemish Society for Veterinary Epidemiology and Economics (FSVEE) | <p>Member</p> <p>Impact on annual earnings: 0%</p> |
| | 01/2000 - now | -Name: International Society for Veterinary Epidemiology and Economics (ISVEE) | <p>Member</p> <p>Impact on annual earnings: 0%</p> |
| IX. Other relevant interest | | | NO INTEREST |

| | | | |
|---|--|--|-------------|
| X. Interests of close family members | | | NO INTEREST |
|---|--|--|-------------|

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
